2 Transports have been arranged by H. Haber (Vienna) who was well acquainted with Dr. Altenburger and who made it possible that the goods were safeguarded in the Castle.
Haber received the order to transport the paintings to Tirol, but in case of a lack of petrol, to bring them to Schloss Fischborn. However most of the figures were at Schloss Volkers. It is possible that some works are in Hubertushof at Rainer, Fritz Waitens, who has lived.
