The Department for Foreign Exchange appointed me to deal with the whole property of the Grunbaums. I will help you if you need further information. Dr. Ludwig Rochlitzer.

EDITOR'S COMMENT:

This letter reveals that somebody - Rochlitzer - was the official person in charge of the property of the Grunbaums: they could not use any money, they could not sell anything, they could not sell the pictures. He was made the administrator or trustee. Elisabeth Grunbaum could not do anything with her own possessions.
